What we are doing

Priority 1: Road Safety:

- Due to operational commitments no speeding operation has taken place this month. One will be arranged in due course weather permitting. Please keep an eye out on social media as a speeding operation will be planned in the near future. From the recent beat surgery in Sapcote Grace Road has been identified as an area that has been highlighted as a concern. If there are any areas of concerns you want us to target please get in touch.

Priority 2: Antisocial Behaviour (ASB)

- There has been reports of vehicles causing a nuisance at Stoney Cove in Stoney Stanton . At the same location persons have allegedly been seen on the cliffs above the Cove. This is dangerous not only for themselves but could put other members of the public at a serious risk of harm. Enquires are on-going to identify the perpetrators. Once they have been identified they will be dealt with appropriately.

Priority 3: Nuisance Motorbikes

- As of 02/05/24 There have been multiple reports of the use of nuisance motorbikes in an anti-social manner the beat team are monitoring and conducting patrols of known hotspot areas. When suspects are identified they will be dealt with appropriately. Should you have any concerns about please let your beat team know.
